

Gold Sponsors

presents **SUMMIT 2013**

March 25-26, Beckman Center, UC Irvine

Register NOW! (Early bird deadline: March 10)

Meeting Details found at www.socalflow.org

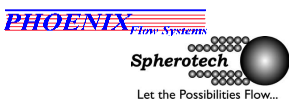

Silver Sponsors

Bronze Sponsors

Event Partners

Scientific Presentations

David Hedley, Ontario Cancer Institute

“Emerging Applications of Flow Cytometry for Molecular Oncology”

Pratip Chattopadhyay, NIH

“The Twists and Turns of HIV Research”

Julie E. Lang, USC

“Isolation and Molecular Profiling of Circulating Tumor Cells in Breast Cancer”

Bartek Rajwa, Purdue

“Signal formation and generalized compensation theory for multispectral and hyperspectral flow cytometry systems”

Peter Burke, UCI

“Nanofluidic Based Assays of Mitochondria”

Alexander Boiko, UCI

“Targeting CD271+ Melanoma Tumor Initiating Cells Synergizes with CD47 Blockade to Prevent Multiple Organ Metastasis In-Vivo”

Vendor Presentations

Gold & Silver Sponsors will present

See www.socalflow.org for topics

Core Manager’s Dinner

Poster Presentations

Training Courses provided by ExCyte

Hosted by CIRM Sue & Bill Gross Stem Cell Research Center

March 24 – Flow Cytometry Bootcamp

March 27 – Advanced Course on Fluorescent Proteins, DNA Cell cycle & Apoptosis

March 28 – FlowJo Seminar: Flow Cytometry Data Analysis

Training Scholarship Opportunities, see www.socalflow.org!
